

Disposable Keyboard Covers

Made in the U.S.A.

Great for hotels, classrooms, or any place keyboards are shared between multiple users!

- Make it easy to keep keyboards clean and sanitized.
- Clear plastic means the keyboard stays sealed in the bag during use!
- Adhesive strip creates a snug fit on the keyboard. Tear notch on the bag makes it easy to remove the remote to change the cover.
- Clean the cover between users, and replace it every day.
- Made of the same film used in medical and dental sterilization packaging.
- Protects from spills and dirt too!
- 20" x 9" bag fits most standard keyboard sizes. Custom sizes are available.
