

PIPINGQTM

The Disposable, Hygienic Pastry Bag

Hygienic, disposable pastry bags

PipinQ™ Pastry Bags – the handy, value-added disposable piping tool!
Crucial for the master's signature on their work, our pastry bags can be filled and refilled the whole day while remaining strong and reliable.

- A disposable bag with the feeling of cotton!
- Adds signature style to products
- Saves time and labor – no cleaning bags
- Refillable
- Strong and reliable
- Options available for cold or hot fillings

Comfort Line – for light and/or cold fillings

These represent the top-of-the-line segment with the feel and comfort of classic cotton in a disposable bag. They're extremely flexible with a firm-grip multi-layer film that ensures the professional can always achieve clean, precise results with minimal hand fatigue, even after hours of repetitive actions.

Available in Comfort Clear or Comfort Green.

Cool Blue – for light and/or cold fillings

With cold and light fillings, reach for Cool Blue. The ingredient can be precisely applied to obtain an aesthetically pleasing end product, down to the finest detail.

Whipped cream or mousse, tarts or desserts – you'll achieve beautiful results!

Red Hot – for thick and/or hot fillings

Specially suited for working with thick and hot fillings. A professional must process their piped product quickly and precisely, requiring a good grip, stability, and strength. Red Hot combines these three characteristics, resulting in a superior pastry bag – plus, its bright red color stands out among other bags.

PIPINQ™
