PanSaver® Shrinkable Pan Covers

Prevent Spills and Messes with PanSaver® Pan Covers

All PanSaver® products are made with pride in the U.S.A.

Prevent spillovers in ovens and during transport with PanSaver Pan Covers. These patented see-through covers seal tightly to oven pans, protecting against spills and providing strong, stackable coverage.

The patented cover shrinks tightly to the edge, providing a clean professional appearance to pans without the need for plastic wrap or aluminum lids. Transparent, markable film makes it easy to identify the contents.

PanSaver® Pan Covers shrink quickly in a heated oven and stay secure until removed.

Exclusive PanSaver® Shrinkable Pan Cover Features:

Shrinks tightly to the top of pans for secure coverage

Strong and stackable for efficient use of refrigerator space

Transparent, markable film makes it easy to identify pan contents.

Tight seal traps moisture, preserving food quality

Ovenable to 400°F / 204°C
